Infoportal parents: „What is the JBA“

- **A future for your children**

Support your daughter or son on their way from school to apprenticeship or University. The occupational future of young adults can easily be organised together. You know your children's strengths and weaknesses best.

- **We are here for you!**

Feel free to inform yourself about the range of services that the Jugendberufsagentur Hamburg has to offer.

Here you will find everything you need under one roof!

Teenagers and young adults under the age of 25 will receive guidance, placement and support with:

- career choice and preparation
- Advice for the right apprenticeship
- Choice of suitable academic studies
- Selection of adequate academic education / off-the-job training
- Managing problems at school or during the apprenticeship
- Managing personal difficulties
